

T 10. Samengestelde woorden deel 3

Doel:

Taalbegrip.

Spelen met taal

Dit spel wordt gespeeld met tweetallen

Op de tafel staat 1 bakjes met plaatjes met een gele rand en plaatjes met een groene rand.

Er worden samengestelde woorden gezocht door plaatjes samen te voegen.

Eerst pak je een plaatje met een gele rand en dan zoek je een plaatje met een groene rand erbij.

Samen is het een nieuw woord.

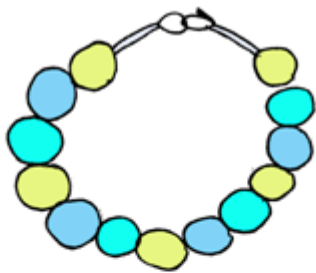

Lezers hebben hierbij steun aan de woorden die eronder staan maar ook niet-lezers kunnen het spel spelen door de plaatjes te benoemen en samen te voegen.

Uitbreiding/ variatie:

Pak 1 plaatje/ woord en maak er zoveel mogelijk samengestelde woorden van.

Bijvoorbeeld: hand - schoen, hand - doek, hand - bal.
